

CVUSD/CVEF
ANNUAL THREE CLUB GOLF TOURNAMENT
June 7, 2008

Format

This tournament is a 2-person scramble. It means that members of a team hit their shots, then decide which one ended up in a more advantageous location. Team Members then hit their next shot from within a club length of that point, no closer to the hole, or if it is on the green, within about 6 inches of the spot, no closer to the hole. This continues until the ball is in the hole. The team gets one score.

All players may only use his or her own putter and 2 other clubs. No one may share clubs. Clubs not chosen for use must be left in the car.

You must tee off no farther than 2 club lengths behind the tee markers.

NOTE: DO NOT TAP IN YOUR 2ND PUTT. IT COUNTS AND MAYBE YOUR PARTNER COULD HAVE MADE THE FIRST ONE!

There will be prizes for Closest-to-the Pin for both a man and a woman. The last group needs to bring in the markers when they come. The men's hole will be #15 and the ladies' #12.
